

LOOKING FOR LICENSED “310T” or “310S” TECHNICIAN

Our goal at SP Mastertech is to be the most trusted and sought-after vehicle service center in the region. We mainly specialize in the repair of medium and heavy vehicles – gas and diesel.

We are a small, dynamic team working together to achieve a fast, friendly and expert service with customer satisfaction.

As a small business owner, with more than 24 years’ experience as a technician, I am aware of the many challenges a tech may encounter and therefore, I am always available to offer support and help find a solution.

SP Mastertech is always looking for new ways to improve the quality of its work.

If you enjoy new challenges, friendly work environment, being part of a team, SP MasterTech is the place for you.

If you are:

- Dynamic and reliable
- Work well with others as a team
- Work in a fast pace environment
- Must have a minimum of four years’ experience
- Bilingual: English and French

Come join our team!

Salary as per experience.

If you are interested, please send us a copy of your Resume:
